

Teens On Purpose Event

July 16, 2022 , 1:00-4:30p

What's the Purpose?

Teens haven't had it very easy the past couple years. This event offers fun through photography for teens ages 13-18. Your teen will learn new photography skills from professional photographers. They will use our professional cameras during the event, but can apply the same skills to their smaller or smartphone cameras at home. Teens will also discover how photography and serving others can help them cope with difficult feelings and bring greater joy to life.

This event takes place at Mitten Misfits Farm Sanctuary in Grand Ledge and includes photographing farm animals and learning to care for them. Participants should wear outdoor clothes and shoes (or boots) that can get dirty.
